

“When Life Is Unfair”-II Thessalonians 1:1-12

Bulletproof #1

There is a cold hard fact about the world we live in: Life is tough, and it often seems unfair.

How do some respond?

1-Jaded and cynical.

2-Bitter and selfish.

3-Give up and quit.

I. You will come through this better than you were before.

II. If the score needs to be settled, God will settle it.

Whenever we feel like we've been treated unfairly we need to remind ourselves of two things.

a.) We could be over-reacting.

b.) We don't need to do anything.

“Relief” in the Greek is “anacin.”

III. God will give you the chance to put your best ideas to work.

Live today as if it has already come your way
