In every drama, there is a cast of characters and we can learn from each of them.

I. JUDAS: You can kiss the door of heaven and never get in.

1-Judas is a warning to all of us that you can have both religious association and religious participation and not really be saved.

II. MALCHUS: Your understanding of Jesus can change in an instant.

III. PETER: You don't have to defend the Lord; just trust Him

Peter made three mistakes that night.

A-Peter fought the wrong enemy.

B-Peter used the wrong weapon.

C-Peter had the wrong attitude.

IV. CAIAPHAS: Religion can blind you from seeing God

1-Religion is a system of rules, rituals, and regulations people follow to try to earn acceptance from God.

V. JESUS: Earthly appearance has nothing to do with heavenly reality
