

“I Love My Job”

1 Peter 2:18-20 Strangers #14

I. APPROACH YOUR WORK AS IF JESUS IS YOUR BOSS

(1) You will excel if you work with positive enthusiasm.

(2) You will excel if you always do more than expected.

II. ENDURE UNPLEASANT TREATMENT WITHOUT WHINING

III. CLAIM YOUR WORKPLACE / SCHOOL AS YOUR MISSION FIELD

(1) A calling is something that comes from God; a career threatens to become my god.

(2) A calling is something God chooses for me; a career is something I choose for myself.

(3) A career may end with retirement; a calling lasts a lifetime.
