I. I WANT TO BE GOOD!

Definition: Goodness is doing the right thing for the right reason

1-The “best good” you can do is walk humbly with God.

II. BUT I CAN'T BE GOOD!

1-God's standard is perfect goodness and complete holiness.

2-You'll never really find true forgiveness and goodness until you ADMIT you don't have the capacity to be good.

III. JESUS: HE'S NOT ONLY GOOD FOR ME; HE'S GOOD IN ME!

1-Good works can never EARN salvation, but they are EVIDENCE of our salvation.

2-Goodness won't get you into heaven; only Jesus can!
