

THE HEART OF WORSHIP

Isaiah 6:1-8

Today we'll look at a story in Isaiah 6 that teaches three things you can do to get back to the heart of worship.

I. Get focused on God.

II. Get cleansed by grace.

III. Get ready to go.

A. Right worship leads to right living. Our struggle with sin is not so much a matter of badness; it is a matter of awayness.

B. Right worship leads to acts of compassion.
