God's Got Big Plans For You

Exodus 1-3

Moses: A Portrait #1

A person becomes most effective in life once they decide to do God's will God's way.

I. Your Entire Life Has Been Leading Up to God's Call.

II. God Will Wait Until You're Ready to be Used.

III. God's Dreams Are Bigger Than Yours.

A. Doing God's will God's way involves asking him to give you a dream for your life that is so magnificent that unless he fuels the dream you have no chance of succeeding.
