

2022: Living Beyond Your Limitations

Proverbs 30:24-27

I. Acknowledge That Your Limitations Exist — But with an Asterisk.

"Don't let what you can't do prevent you from doing what you can do." John Wooden

II. Identify Your Strengths.

III. Decide to Go Where Your Gifts Can Take You.

You'll never have to answer for what you do not have or did not receive. You only answer for

what you do with what you have.
