

“Homosexuality: God v. Culture?”

I. OUR CULTURE INSISTS:

1. Homosexuals are born that way
2. It is an acceptable sexual preference
3. They deserve civil rights
4. Anyone who disagrees is a bigot

II. THE BIBLE TEACHES:

1. All homosexual behavior is sinful
2. Homosexual temptation can be resisted
3. A practicing homosexual is rejecting it

III. THE CHRISTIAN RESPONSE We must

1. Repent of the sin of rejecting homosexuals
2. Receive sinners without approving of their sin
3. Believe that God can forgive and change any sinner
